Time: 9:00 AM (Monday) June 24, 2024

Place: NTUH International Convention Center, No. 2, Xuzhou Road, Zhongzheng

District, Taipei City, Taiwan.

Meeting Type: Physical Shareholders' Meeting

Total outstanding shares : 33,537,400 shares

Total shares represented by shareholders present in person or by proxy : 21,178,753

shares

Percentage of shares held by shareholders present in person or by proxy: 63.14%

Directors present : Chiou, Ta- Gang; Ho Chen, Tan; Lin, Yi-Bing

Persons attend: Syu, Fu-Ciang, CFO; Li, Ching-Hui, Audit Officer; Mavis Tsai, Senior

Manager of KPMG

Chairman: Chiou, Ta-Gang, the Chairman of Board of Directors

Recorder: Liu, Wei-Jen

- **1. Commencement of the Meeting:** The aggregate shareholding of the shareholders presented in person or by proxy constituted a quorum. The Chairman called the meeting to order.
- 2. Chairman's Address: (Bypass)

3. Reported Matters

- (1) Report on the Business of 2023 (Attachment 1)
- (2) Audit Committee's Review Report for 2023 (Attachment 2)
- (3) Report on the Distribution of Employees' Compensation and Directors' Remuneration of 2023.

Explanatory Notes:

A. According to the company's articles of incorporation, if there is a profit in the annual financial statements, an amount not less than five percent shall be allocated for employee compensation and not more than one percent for director remuneration. However, if the company has accumulated losses from previous years, an amount should be reserved first to offset the losses before allocating for employee and

- director remuneration, with the remaining balance allocated according to the aforementioned proportions.
- B. 10% is set aside as the employees' compensation, which is in a total amount of NT\$15,268,004.
- C. 1% is set aside as the Directors' remuneration, which is in a total amount of NT\$1,526,800.
- D. Employee compensation shall be disbursed to employees of both the Company and eligible employees of subsidiary companies, subject to specific conditions. These matters are authorized to be handled by the Chairman of the Board with full authority.
- (4) Report on the Progress in Sustainable Development Implementation (Attachment 3)

4. Acknowledged Matters

Proposal No. 1

Proposed by the Board of Directors

Subject: Adoption of the Business Report and Financial Statements of 2023.

Explanation:

- 1. The 2023 Business Report and Financial Statements (including Balance Sheets, Statements of Comprehensive Income, Statements of Changes in Equity, Statements of Cash Flows) have been approved by the 13th Meeting of the Board of Directors of the 2nd Term on March 14, 2024, and audited by the certified public accountants Huang, Yung-Hua and Yu, Sheng-Ho of KPMG with the proposed audit report.
- 2. The preceding mentioned Business Report and Financial Statements had been submitted to the Audit Committee for review, and the review report was issued accordingly.
- 3. Please refer to the 2023 Business Report (Attachment 1), Independent Auditors' Report and Financial Statements (Attachment 4 & 5).

Resolution: RESOLVED, the above proposal hereby was acknowledged as proposed. Shares present at the time of voting: 21,178,753

Voting results (electronic votes included)					
Votes in favor: 20,706,568 votes	97.77%				
Votes against: 22,040 votes	0.10%				
Invalid votes : 0 vote	0.00%				
Votes abstained / Not voted: 450,145 votes	2.12%				

Subject: Adoption of the Proposal for Profit Distribution of 2023.

Explanation:

- 1. The amount of NT\$108,404,546 of accumulated retained earnings is available for distribution. The Company set aside legal reserve in an amount of NT\$ 10,840,455. It is proposed to set aside shareholders' dividends in an amount of NT\$100,612,200 from the surplus earnings, and all of the dividends are proposed to be distributed in cash and will be distributed by NT\$ 3 per share.
- 2. The cash dividends would be rounded down to the nearest whole number, the fractional balance less than NT\$ 1 shall be summed up and recognized as other income of the Company.
- 3. In the event that the number of outstanding shares is affected due to alteration of share capital which causes the ratio of dividend distribution per share to be changed, is the General Shareholders' Meeting proposes to authorize the Chairman to make any adjustment and proceed on the relevant matters.
- 4. Please refer to the proposed 2023 Statement of Profit Distribution (Attachment 6)

Invalid votes : 0 vote	0.00%				
Votes abstained / Not voted: 468,039 votes	2.20%				

8. Extemporary Motions: None

9. Adjournment: 9:29 AM (Monday) June 24, 2024

No questions or issues were raised by shareholders.

Groundhog Inc.

2023 Business Operation Report

Sincere thanks to our shareholders for your support and to all our colleagues for their hard work. Groundhog Inc. has successfully listed on the Taiwan Stock Exchange at the beginning of 2024, and we are prepared to strengthen our products further and expand internationally. In 2023, leveraging our leading technological advantages, Groundhog once again stood out in the international 5G arena and secured a five-year contract with Airtel, the third-largest telecommunications operator in India, which will help ensure the visibility of our business for the next four years. This achievement was made possible by the solid technical foundation of our CovMoTM product, which replaced key customers of our competitors in the international market and garnered attention from the global telecommunications industry. Overall, CovMoTM accounted for 62% of our orders in the 5G sector in 2023, up from 34% in 2022. On the other hand, due to factors such as the delay in 5G spectrum auctions in many countries during the pandemic, most of our Southeast Asian customers are expected to officially enter the 5G era in 2024, which will serve as significant momentum for future revenue growth.

I. The operating results for 2023:

- 1. Total consolidated revenue for the year 2023 amounted to NT\$371,188,000, with consolidated net profit after tax of NT\$109,882,000.
- 2. Financial income and expenditure analysis: Please refer to the financial statements attached for the financial overview of the year 2023.
- 3. Research and development status: The research and development expenses incurred in the year 2023 amounted to NT\$94,597,000, accounting for 25.5% of the operating income.

II. The operation plan for the year 2024

Competitive advantages and business development strategy:

Despite CovMoTM's significant advantages in both precise positioning and real-time response capabilities, we will continue to widen the leading gap with competitors by leveraging the advantages of artificial intelligence technology to further strengthen our competitive capabilities. In terms of product modules, significant enhancements will be made in areas such as 3D analysis, multi-source input geolocation, and even more efficient virtualized deployment of CovmoTM, all aimed at further assisting telecom operators in improving their return on investment and customer satisfaction.

About the data monetization through Mobility IntelligenceTM in collaboration with telecommunications operators, we embarked on a long-term partnership with Dentsu Group, one of the largest media agencies globally, in the latter half of 2023. Additionally, we continued our collaboration with Indosat, a telecommunications company in Indonesia

with over a hundred million users. Our plan is to complete the integration of various data sources by 2024, positioning ourselves as a dominant advantage in the cookie less era, further contributing to medium and long-term revenue growth.

Corporate governance:

In terms of corporate governance, our company continues to uphold the principles of ESG (Environmental, Social, and Governance), with a commitment to increasing the representation and proportion of female directors and optimizing the group's organizational structure to ensure audit independence and promote a culture of internal control. Groundhog remains dedicated to utilizing AI technology for big data analysis, aiming to expand its influence and become a model of ESG excellence among Taiwanese software enterprises.

In the foreseeable future, as the global market gradually transitions into the widespread adoption phase of 5G networks, the sources of revenue momentum will be abundant. We will continue to maintain our position at the forefront of artificial intelligence technology, accelerating operational growth and expanding our corporate footprint. Our focus remains on deepening our presence in the mobile communication sector, striving for further advancements and achievements in this field.

We extend our heartfelt gratitude to all shareholders for standing with Groundhog as we venture towards a bright future driven by artificial intelligence.

Chairman: President: Accounting Officer:

Chiou, Ta-Gang Chiou, Ta-Gang Syu, Fu-Ciang

Audit Committee's Review Report

The Board of Directors has prepared the Company's 2023 business report, financial statements, and proposal for allocation of profits. The CPA firm of KPMG was retained to audit Groundhog Inc.'s financial statements and has issued an audit report relating to the financial statements. The business report, financial statements, and profit allocation proposal have been reviewed by the Audit Committee and no irregularities were found. We hereby report as above according to Article 14-4 of the Securities and Exchange Act and Article 219 of the Company Act.

To Groundhog Inc. 2024 General Shareholders' Meeting

Groundhog Inc.

Chairman of the Audit Committee: Tseng, Tsung-Lin

risk management policies or strategy?			office produces general waste, which originates from domestic waste and is divided into general waste (including kitchen waste) and resource recycling waste. Colleagues daily sort their garbage and place it in the garbage classification storage area, which is collected by the building property management company. The waste will then be transported to an incineration plant for processing by qualified waste removal operators. At present, the building management center has signed a contract with a waste removal manufacturer to carry out centralized removal of waste in the entire building. There is no additional charge or deduction within the weight variation range of 7 metric tons per month plus or minus 20%. Based on the current building garbage removal model, the average daily waste per floor is less than 30 kilograms. The building management center has not yet measured the weight of waste from tenants on each floor. The company only rents one of the 12 floors in the building. The daily output of waste is not significant. The company has formulated the "Greenhouse Gas and Waste Management Measures" to clearly state the management policies and practices for water conservation, electricity conservation, greenhouse gas emission reduction, and waste reduction, and lists annual water, electricity, and greenhouse gas management goals. Our company office promotes to colleagues to turn off lights and computers or electrical	Companies and

			centrally reused, and through waste paper reuse and supplier packaging boxes, the company extends the product life cycle, improves resource usage efficiency, and strives to reduce environmental impact.	
(3) Does the Company evaluate the potential risk and opportunity caused by the climate change currently and in the future, and take measures corresponding to the climate relevant issues?	V		The "Corporate Sustainability Promotion Team" convenes relevant departments to identify risk opportunities caused by climate change, analyze short, medium and long-term risk projects, and assess the financial impact of risk opportunities. The board of directors is the management organization that actually oversees the company's climate change risks and opportunities. Scenario analysis, response strategy formulation, goal achievement and other matters related to climate change are planned and integrated by the management and reported to the board of directors. Risks and opportunities related to climate change identified by the Company: Short-term risks: Rising domestic electricity prices will lead to an increase in related operating costs. Medium-term risks: Possible losses from operational interruptions due to extreme weather events such as natural disasters. Long-term risk: Customers changing their behavior as a result of climate change. Financial impact: Risks - Increase operating costs and impact on financial performance. Opportunity - Expand new business to potential customers and increase revenue. Strategic impact: The company's response measure is to continue to educate employees about saving electricity. On the one hand, it saves energy and reduces greenhouse gas emissions. On the other hand, it reduces the impact of future increases in electricity prices on the company's operating expenses. Business impact: The company's response measures are to target customers in telecom operators and related industries, emphasizing that the company's products can bring energy conservation, carbon reduction, and cost savings, in order to expand business reach and further strive for business opportunities.	None

			environment with equal opportunities, dignity, safety, equality, and freedom from discrimination and harassment. 2. Construct a safe and hygienic working environment, promote the physical and mental health of employees, and achieve work-life balance. 3. Reasonably arrange employees' working hours, rest and vacation time. 4. Respect the wishes of employees and prohibit forced labor. 5. Employment standards comply with local regulations and minimum age limits, and child labor is prohibited. 6. Provide employees with reasonable salaries and related welfare conditions in accordance with laws and regulations. 7. Provide multiple and smooth communication channels, hold regular labor-management meetings, strive to promote harmony between labor and management, create good labor-management relations, and effectively mediate differences in opinions.	
(2)Does the Company establish and implement rational employee welfare measures (including remuneration, leave and other welfare etc.) and appropriately reflect the corporate business performance or achievements in the employee remuneration policy?	V		The company adheres to the concept of "only satisfied employees can have satisfied customers" and hopes to fully take care of the physical and mental health of employees so that employees can be focused and happy at work. In addition to formulating personnel management regulations, employee performance appraisals, work rules, etc. In addition, the company has an employee welfare committee composed of colleagues, which is responsible for the planning and implementation of various employee welfare matters. Currently, the company's various welfare matters are as follows: 1. Guaranteed annual salary for 14 months 2.Performance bonus 3. Annual salary increases based on performance 4. Employee dividends 5. Labor insurance, health insurance, labor pension withdrawal and group insurance 6. Annual employee travel allowance 7. Department dinner subsidy 8. Regular health check-ups for colleagues 9. 7.If the Company has established the sustainable development practice principles based on "the Sustainable Development Best-Practice Principles for TWSE/TPEx Listed Companies", please describe any discrepancy between the Principles and their implementation □:

- (1). Groundhog Inc. firmly believes that companies should not only take revenue as their best interests, but also contribute to the sustainability of the environment, society, and economy. Therefore, during the COVID-19 epidemic, we used leading technologies with the highest positioning accuracy in the industry to utilize the core AI algorithm and big data analysis technology assist the governments and private parties in Taiwan, Indonesia, India, Saudi Arabia, and the United Arab Emirates in their epidemic prevention efforts, hoping to reduce the spread of the virus through our precise positioning technology. In addition, the company also uses geopositioning technology to assist in infrastructure planning for smart cities in Saudi Arabia, the United Arab Emirates World Expo, and crowd planning for the World Cup in Qatar to improve the quality of local life and maintain the safety of citizens.
- (2). It is the positioning and mission of Groundhog Inc. to build a sustainable society with its industry technology and expand its influence as a mobile data leader. In addition to giving back to society with its industry technology, the company also continues to pay attention to education and cultural promotion, and helps disadvantaged groups integrate into society and promote social harmony.
- (3). In view of equal education, cultural promotion, and disadvantaged groups, Groundhog Inc. devotes part of its resources to charity every year through continuous donation activities and strives to improve social problems, such as donating to the "Ministry of Education School Education Savings Account" to provide low- and middle-income families with Financial subsidies for primary and secondary school students, the "Border Action Association" supports the education of border children, and the "New Taipei City Gong Hao Charity Association" provides meals, medical care, housework services and other assistance to disadvantaged families and the elderly living alone. In addition to continuing to pay attention to issues of equal education and disadvantaged groups, 112 also participated in the client's ESG project "Working with Sustainability Vanguards" to help rural schools renovate school buildings and improve the learning environment, and targeted women's care by donating to the "Breast Cancer Academic Research Foundation" Foundation", dedicated to improving women's health and quality of life.

The following are social donation activities in the past two years:

Independent Auditors' Report

To the Board of Directors of Groundhog Inc.:

Opinion

We have audited the financial statements of Groundhog Inc. ("the Company"), which comprise the balance sheets as of December 31, 2023 and 2022, the statements of comprehensive income, changes in equity and cash flows for the years ended, and notes to the financial statements, including a summary of material accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

1. Revenue recognition

Please refer to Note 4(1) "Revenue" and Note 5(a) "Significant accounting assumptions and judgments, and major sources of estimation uncertainty" to the financial statements.

Description of key audit matter:

The Company engages in optimizing its intelligence platform system and provides big data analytics for its clients, which particularly involved the estimates made for percentage of completion ratio recognized as revenue. Therefore, considered revenue recognition as our key audit matter.

3

How the matter was addressed in our audit

Our principal audit procedures included understanding the revenue recognition's accounting policy and assessing whether they are consistent with the accounting standards; random sampling of each revenue transaction and compare it with the purchase orders, condition of sales contract, input of the project time report, acceptance documentation, and collection records. In addition, we also obtained the ongoing project list to examine the calculation of completion percentage used as a basis for the recognition of contact assets.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the Audit Committee) are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
 sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,
 forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of the investment in other entities accounted for using the equity method to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Huang, Yung-Hua and Yu, Sheng-Ho.

KPMG

Taipei, Taiwan (Republic of China) March 14, 2024

Notes to Readers

The accompanying financial statements are intended only to present the statement of financial position, financial performance and cash flows in accordance with the accounting principles and practices generally accepted in the Republic of China and not those of any other jurisdictions. The standards, procedures and practices to audit such financial statements are those generally accepted and applied in the Republic of China.

Independent Auditors' Report

To the Board of Directors of Groundhog Inc.:

Opinion

We have audited the consolidated financial statements of Groundhog Inc. and its subsidiaries ("the Group"). which comprise the consolidated balance sheets as of December 31, 2023 and 2022, the consolidated statements of comprehensive income, changes in equity and cash flows for the years ended, and notes to the consolidated financial statements, including a summary of material accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2023 and 2022, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the International Financial Reporting Standards ("IFRSs"), International Accounting Standards ("IASs"), Interpretations developed by the International Financial Reporting Interpretations Committee ("IFRIC") or the former Standing Interpretations Committee ("SIC") endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

1. Revenue recognition

Please refer to Note 4(1) "Revenue" and Note 5(a) "Significant accounting assumptions and judgments, and major sources of estimation uncertainty" to the consolidated financial statements.

Description of key audit matter:

The Group engages in optimizing its intelligence platform system and provides big data analytics for its clients, which particularly involved the estimates made for percentage of completion ratio recognized as revenue. Therefore, considered revenue recognition as our key audit matter.

How the matter was addressed in our audit

Our principal audit procedures included understanding the revenue recognition's accounting policy and assessing whether they are consistent with the accounting standards; random sampling of each revenue transaction and compare it with the purchase orders, condition of sales contract, input of the project time report, acceptance documentation, and collection records. In addition, we also obtained the ongoing project list to examine the calculation of completion percentage used as a basis for the recognition of contact assets.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the IFRSs, IASs, IFRC, SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the Audit Committee) are responsible for overseeing the Group's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due
 to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence
 that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,
 forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Huang, Yung-Hua and Yu, Sheng-Ho.

KPMG

Taipei, Taiwan (Republic of China) March 14, 2024

Notes to Readers

The accompanying consolidated financial statements are intended only to present the consolidated statement of financial position, financial performance and cash flows in accordance with the accounting principles and practices generally accepted in the Republic of China and not those of any other jurisdictions. The standards, procedures and practices to audit such consolidated financial statements are those generally accepted and applied in the Republic of China.
